

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

* * *

NICHOLAS FRANK WILCOX.

Petitioner,

Case No. 3:23-cv-00457-MMD-CLB

ORDER

v.

TIM GARRETT, *et al.*,

Respondents.

11 *Pro se* Petitioner Nicholas Frank Wilcox filed a Petition for Writ of Habeas Corpus
12 under 28 U.S.C. § 2254. (ECF No. 1-1 (“Petition”)). This Court conducted an initial review
13 of the Petition and ordered Wilcox to show cause why the Petition should not be dismissed
14 as untimely. (ECF No. 3.) Wilcox timely responded to the order to show cause. (ECF No.
15 4.) The Court now determines that the Petition is untimely, warranting its dismissal.

16 | I. BACKGROUND¹

17 Wilcox challenges a conviction and sentence imposed by the Eighth Judicial
18 District Court for Clark County. *State of Nevada v. Nicholas Wilcox*, C-14-298701-2 (Nev.
19 Dist. Ct. Mar. 9, 2018). On March 9, 2018, the state court entered a judgment of
20 conviction, under a guilty plea, convicting Wilcox of two counts of child abuse, neglect, or
21 endangerment. Wilcox was sentenced to an aggregate term of 124 months to 312
22 months. Wilcox did not appeal, and he did not file a state post-conviction petition. Rather,
23 on October 13, 2022, Wilcox filed a motion to correct his sentence. The state court denied

25 ¹Judicial notice is taken of the docket records of the Eighth Judicial District Court
26 and Nevada appellate courts, which are accessible at
<https://www.clarkcountycourts.us/portal> and
27 <http://caseinfo.nysupremecourt.us/public/caseSearch.do>

1 the motion, Wilcox appealed, and the Nevada Court of Appeals affirmed on May 8, 2023.
 2 *Nicholas Frank Wilcox v. State of Nevada*, No. 85707-COA, 2023 WL 3324985 (Nev. Ct.
 3 Apps. May 8, 2023).

4 **II. LEGAL STANDARD**

5 The Antiterrorism and Effective Death Penalty Act (“AEDPA”) establishes a one-
 6 year period of limitations for state prisoners to file a federal habeas petition pursuant to
 7 28 U.S.C. § 2254. The one-year limitation period begins to run from the latest of four
 8 possible triggering dates, with the most common being the date on which the petitioner’s
 9 judgment of conviction became final by either the conclusion of direct appellate review or
 10 the expiration of the time for seeking such review. See 28 U.S.C. § 2244(d)(1)(A). The
 11 federal limitations period is tolled while “a properly filed application for State post-
 12 conviction or other collateral review with respect to the pertinent judgment or claim is
 13 pending.” 28 U.S.C. § 2244(d)(2). No statutory tolling is allowed for the period between
 14 finality of a direct appeal and the filing of a petition for post-conviction relief in state court
 15 because no state court proceeding is pending during that time. See *Nino v. Galaza*, 183
 16 F.3d 1003, 1006–07 (9th Cir. 1999); *Rasberry v. Garcia*, 448 F.3d 1150, 1153 n.1 (9th
 17 Cir. 2006).

18 **III. DISCUSSION**

19 Wilcox’s conviction became final on the date on which the time for seeking direct
 20 review expired: April 9, 2018. See Nev. R. App. P. 4(b)(1) (requiring a notice of appeal to
 21 “be filed with the district court clerk within 30 days after the entry of the judgment or order
 22 being appealed”); *Gonzalez v. Thaler*, 565 U.S. 134, 137 (2012) (when a state prisoner
 23 “does not seek review in a State’s highest court, the judgment becomes ‘final’ on the date
 24 that the time for seeking such review expires”). The federal statute of limitations thus
 25 began to run the following day: April 10, 2018. Accordingly, the limitations period expired
 26 365 days later on April 10, 2019. Although Wilcox filed a motion to correct his sentence
 27
 28

1 on October 13, 2022, it was filed after the AEDPA clock had already expired. As such,
 2 Wilcox's motion to correct his sentence could not have tolled an already expired
 3 limitations period. See *Jiminez v. Rice*, 276 F.3d 478, 482 (9th Cir. 2001). Accordingly,
 4 Wilcox filed his Petition four years and five months after the AEDPA limitation period
 5 expired.

6 In his response to the order to show cause, Wilcox argues that the state district
 7 court lacked subject matter jurisdiction over his criminal case, and because subject matter
 8 jurisdiction can never be forfeited or waived, his Petition "is not subject to the statute of
 9 limitations in AEDPA." (ECF No. 4 at 2, 5.) Specifically, Wilcox contends that NRS §
 10 171.010, the statute giving Nevada state district courts their jurisdictional authority, was
 11 nullified in 1957 when the Nevada Legislature enacted the Nevada Revised Statutes and
 12 invalidated all preexisting statutes, including NRS § 171.010, so the state district court
 13 did not have subject matter jurisdiction over him. (*Id.* at 4.) Alternatively, Wilcox contends
 14 that this Court should exercise its discretion to entertain his Petition given his novel
 15 subject matter jurisdiction argument. (*Id.* at 5 (citing *Reed v. Ross*, 468 U.S. 1 (1984)
 16 ("[W]here a constitutional claim is so novel that its legal basis is not reasonably available
 17 to counsel, a defendant has cause for his failure to raise the claim in accordance with
 18 applicable state procedures.").) This Court finds that these arguments lack merit.

19 First, regardless of NRS § 171.010, the Nevada state district court had jurisdiction
 20 over Wilcox's underlying criminal case under the Nevada Constitution. See NEV. CONST.
 21 art. VI, § 6. Second, NRS § 171.010 does not address the state district court's jurisdiction;
 22 rather, it provides criminal liability for persons committing offenses within Nevada. Third,
 23 Wilcox's argument that the Nevada state courts lack jurisdiction under NRS § 171.010,
 24 which is also the basis of his Petition, presents an issue of state law, but "federal habeas
 25 corpus relief does not lie for errors of state law." *Lewis v. Jeffers*, 497 U.S. 764, 780
 26 (1990). Finally, Wilcox's reliance on *Reed v. Ross* is misplaced. In *Reed*, the Supreme
 27
 28

1 Court held that a novel constitutional claim may establish cause to overcome a
2 procedurally defaulted claim. 468 U.S. at 11. This holding in *Reed* does not apply to a
3 time-barred petition.

4 **IV. CONCLUSION**

5 It is therefore ordered that this action is dismissed with prejudice as time barred. A
6 certificate of appealability is denied, as jurists of reason would not find dismissal of the
7 Petition for the reasons stated herein to be debatable or wrong.

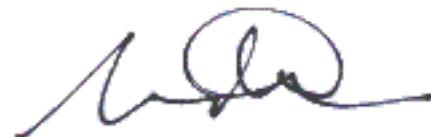

8 It is further ordered that the motion to proceed *in forma pauperis* (ECF No. 1) is
9 granted.

10 It is further ordered that the motion for order to show cause (ECF No. 4) is denied.

11 It is further ordered that the Clerk of Court (1) file the Petition (ECF No. 1-1); (2)
12 add Nevada Attorney General Aaron D. Ford as counsel for Respondents;² (3) provide
13 the Nevada Attorney General with copies of the Petition (ECF No. 1-1), this order, and all
14 other filings in this matter by regenerating the notices of electronic filing; (4) enter final
15 judgment dismissing this action with prejudice; and (5) close this case.

16 DATED THIS 12th day of October 2023.
